1 6 MAY 1966

MEMORANDUM FOR: Deputy Director for Plans

**SUBJECT : Duties and Responsibilities of Senior
DD/S&T Liaison Officer [REDACTED]**

25X1C

On 23 September 1966, Mr. [REDACTED] will assume the duties of Senior Liaison Officer, Directorate for Science and Technology, in [REDACTED]. We believe the duties and responsibilities of this position should be modified in the light of our liaison experience with [REDACTED] during the past two years, the priority now being accorded intelligence programs in the Far East directed against ChiCom strategic weapons and [REDACTED] programs, and our expectations for increased collaboration with the [REDACTED] in technical programs. Accordingly, we submit the following terms of reference for the new [REDACTED] position for your concurrence.
